

April 28, 2023

Dear TWU Envoy Members,

It seems some members are putting out false information about the TWU/Envoy Mechanics and Related Tentative Agreement Vote.

Members are being told that if you do not vote it is an automatic “YES” vote.

That is False. If you do not vote it does not count either way. On May 5th, whatever the majority is of those who vote will determine if the contract passes or not.

Example: If only 500 of the 917 eligible members vote, 300 vote yes and 200 vote no, the contract passes. Everyone is encouraged to vote.

Please do so before Noon ET on May 5th, 2023. If you have any questions, please reach out to your TWU Local leadership.

If you have not received your ballot, you may request replacement access credentials by contacting Jose Galarza at (202) 719-3906 or Karen Koziatek at (202) 719-3902 during normal business hours.
