Dear Senator,

Today, our committee is reaching out to you on behalf of *all* the Transport Workers Union of America members working here in Illinois. These members serve the flying public in many capacities such as flight attendants, aircraft maintenance technicians, and ground support operations.

The purpose of this letter is to formally ask for your support of the **IL SB645: Employee Sick Leave-Exemption** bill.

Furthermore, it is the consensus of this committee that this bill is not only appropriate but necessary in order to make the *Employee Sick Leave Act* fair and equitable to all of our *members* working in Illinois.

OFFICERS:

In closing, we thank you for your time and consideration into the above matter.
